### BRANDY PUNCH MANICURE AND PEDICURE

A tingly citrus soak puts you in the mood to groove, or maybe even hula, as it moisturizes and calms tired legs and feet. A mouthwatering FarmHouse Fresh Brandy Pear Sea Salt Polish scrubs away dead skin, leaving you feeling as smooth as a baby's bottom. We protect and extend the smoothness with a honey and papaya hydration wrap. The tropical sun sets on this decadent delight with a Rainbow Road Shea Butter massage.
