Our promise to you is to focus on every detail – to fashion a wedding that is inclusive, warm, and brimming with authentic Southern charm. At your service, our 40,000 square feet of function space is designed to be infinitely scalable to perfectly meet the bespoke needs of your special day.

Our emblem, a Dogwood blossom, symbolizes new beginnings. We are honored and grateful that you have entrusted The Whitley as the beautiful backdrop and starting point for your new beginning – for your celebration of love and a lifetime of commitment.

We look forward to working together to create picture-perfect moments.

From fashion-forward events layered with modern touches, to simply chic weddings with a sprinkle of whimsy, our venues promise swoon-worthy affairs and memorable moments, forever commemorated with magnificent photography.

## THE LEGACY BALLROOM

Distinguished by its 14-foot ceiling, the new 5,000-square-foot Legacy Ballroom sparkles with crystal chandeliers for just the right amount of shimmer. Floor-to-ceiling windows throughout the space beckon warm, natural light and starry sky views at night. Start cocktail hour the traditionally Southern way – alfresco on the private terrace with a Mint Julep or The Whitley Cup cocktail – before retreating indoors to dance the night away.

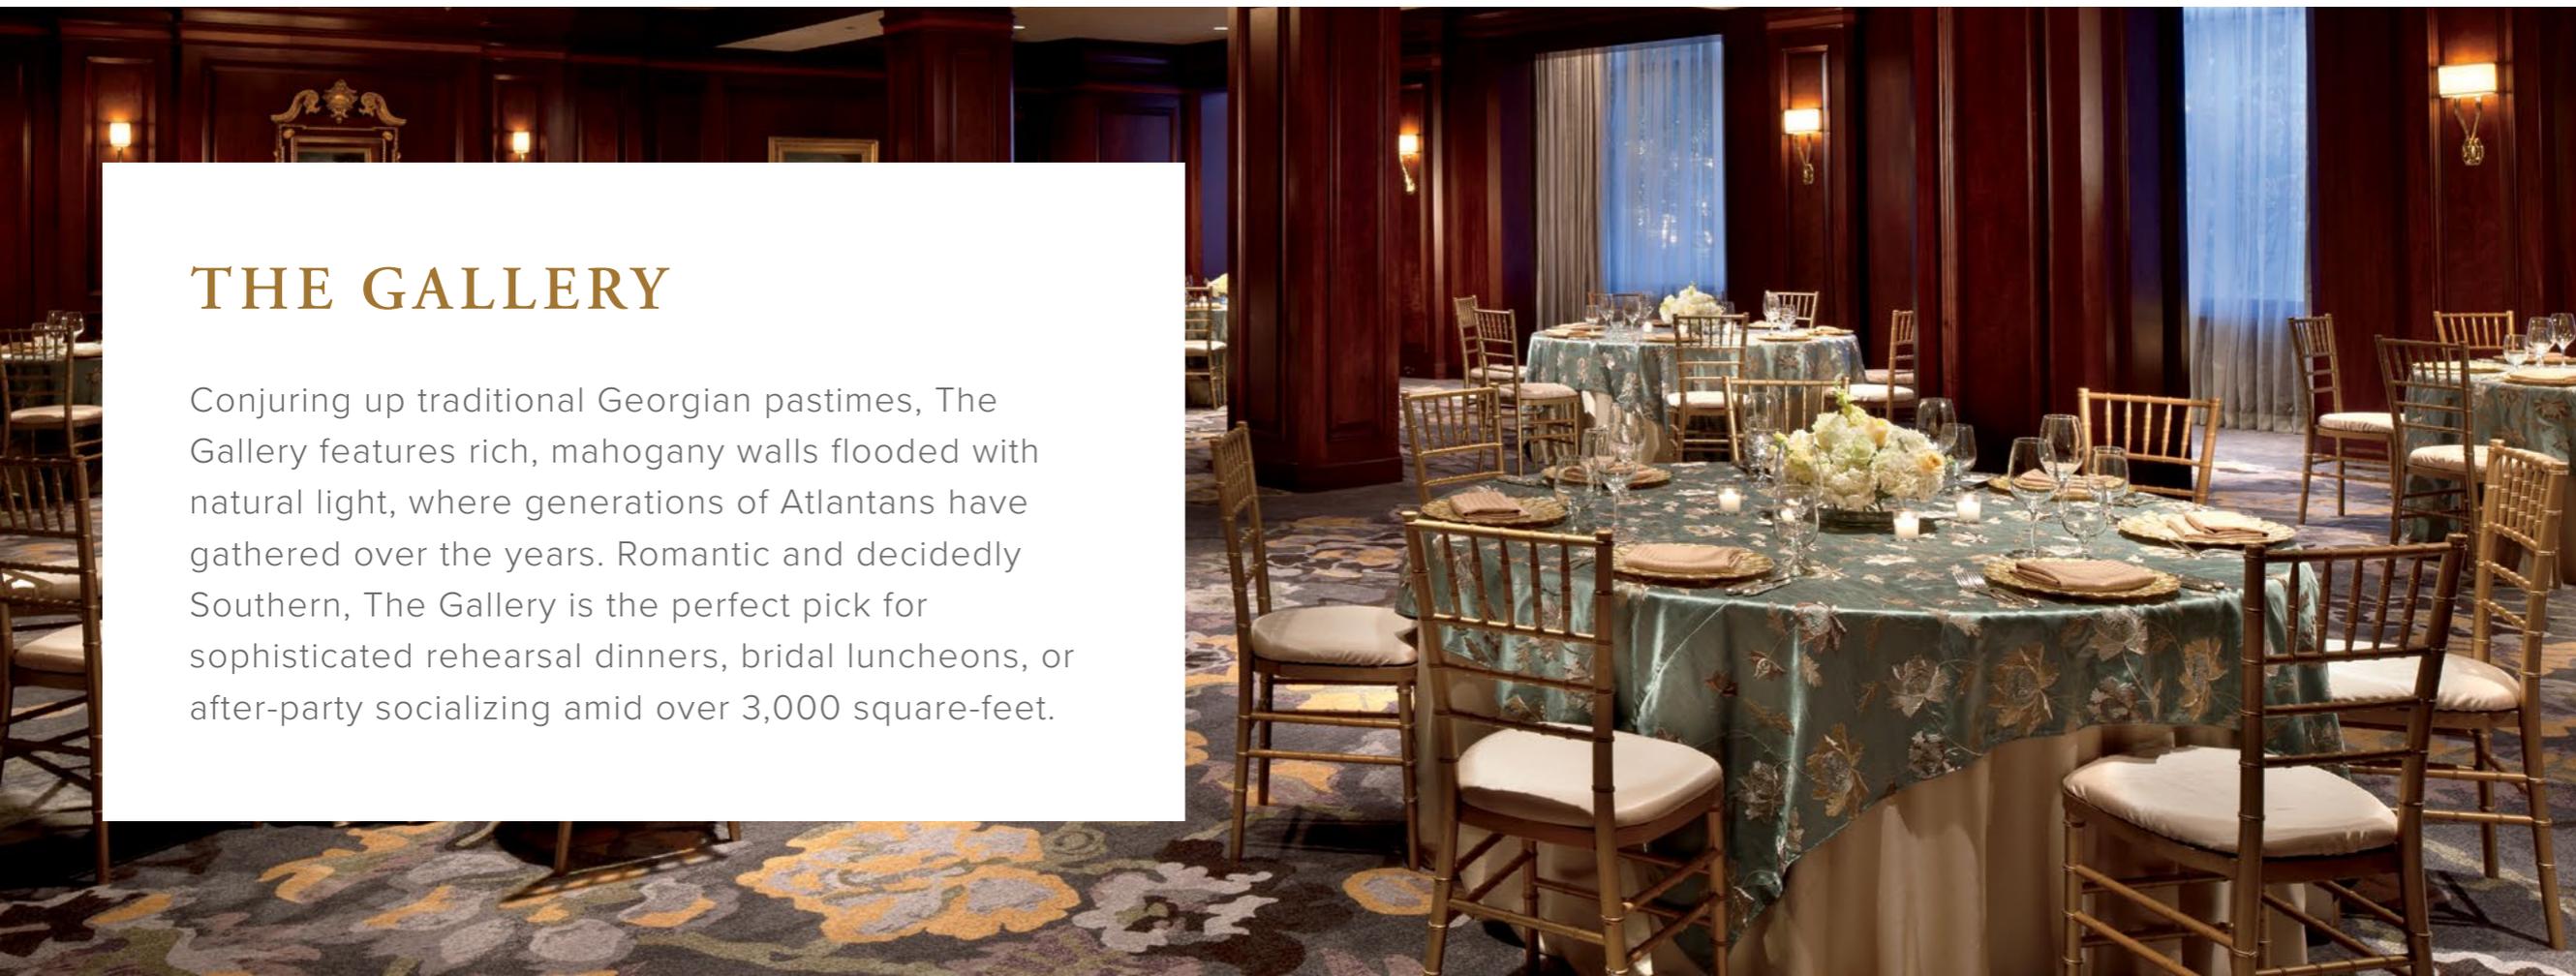

## THE FOUNDERS ROOM

Tucked away on the second floor, the adjacent grand staircase lends itself to a romantic bridal departure after a celebratory reception for up to 150 guests. Offering nearly 2,000 square feet of space, The Founders Room enchants with crystal chandeliers and mirror accents.

## THE WHITLEY BALLROOM

Befitting extravagant receptions against a jewel-toned palette accented with metallic pops, our classically elegant space sets the stage for a memorable event of up to 1,000 guests. Completely customizable, The Whitley Ballroom's 8,970 square-foot of space can be tailored for smaller soirees for 20-60 attendees with the same luxurious ambiance.

## THE GALLERY

Conjuring up traditional Georgian pastimes, The Gallery features rich, mahogany walls flooded with natural light, where generations of Atlantans have gathered over the years. Romantic and decidedly Southern, The Gallery is the perfect pick for sophisticated rehearsal dinners, bridal luncheons, or after-party socializing amid over 3,000 square-feet.

## FOOD & BEVERAGE AT THE WHITLEY
