ALL IS BRIGHT RESURFACING FACIAL

Regenerate your skin with this brightening and tightening professional peel treatment developed by Dr. Dennis Gross. The medical grade peel is applied to the face, followed by an intense nourishing and age-defying moisturizers. The specially formulated Alpha Hydroxy Peel aids in the reversal process and can restore skin to a healthy, beautiful glow. It's the perfect treatment to combat harsh weather conditions.

50-Minute Facial \$140

AVAILABLE FOR THE MONTH OF OCTOBER

Support breast cancer awareness and treat yourself or loved ones with a "Think Pink Pedi." This luxe treatment begins with a decadent coconut oil and nectar soak, before toes are scrubbed with an intoxicating pink sweet cream body scrub. A honey oat yogurt mask removes impurities and refines skin tone. For a sweet finish, a Whoopie Pie cream shea butter massage delights the senses. Finish with a pink OPI polish which helps raise money for the Susan G. Komen fund supporting Breast Cancer Research.
