IN MINT CONDITION: REPLENISHING BODY COLLECTION

Our head to toe winter collection will replenish and soften weather worn skin and achy muscles. The treatment begins with dry brushing and a brandy-pear infused sea salt exfoliation. Once your skin is fully rejuvenated, muscles relax with a tension relieving and hydration-rich massage using a nourishing blend of agave nectar oil and peptide-infused body mousse with notes of crisp green wintermint, apple and amber. It's the perfect treatment to combat the harsh winter and revive the body.

50-minute Body Polish \$145 (lotion and oil application only)

ALL IS BRIGHT: TIGHTENING AND BRIGHTENING BOOSTER FACIAL

The facial begins with a hydrating Green Tea Milk Wash and a nourishing tonic, packed with antioxidants. Next, a sweet shea butter scrub cleanses, moisturizes and invigorates skin. A cactus-infused toning gel increases circulation and improves elasticity, giving you the perfect holiday glow. Skin is cocooned in a nourishing blend of agave nectar and natural oils with a steamed towel compress. Next, a clinical peptide facial serum works to banish discolorations, while Three Milk Moisturizer soothes your skin.

STARLIGHT DELIGHT MANICURE AND PEDICURE

Hands and toes find their inner "ahh" with this gingersnap and peppermint scented soak; infused with vitamin E and coconut oil to soften all the tough stuff. The skin experiences a crisp sea salt scrub with organic alfalfa root to reveal the softest soles you've ever felt. Next, an advanced foaming relief whip envelops the skin with nourishing arnica montana and green tea extracts. Prepare to fall in love as soft notes of mint julep and lavender fill the air! We end this treatment with a tranquil blend of a whipped body mousse, scented with crisp green notes of wintermint, apple, amber and agave oil.
